Pregnancy & Infant Loss Support Groups

The Kendall Lauren Honig Pregnancy & Infant Loss Program offers two support groups each month. Each group is facilitated by a licensed clinical social worker with many years of experience in working with families who have experienced a loss.

Pregnancy & Infant Loss – 2nd Tuesday of the Month

Time: 6:00-8:00pm

This group provides a warm, compassionate and safe environment in which parents and families have the opportunity to heal and work through the grief of their loss.

Pregnancy After A Loss – 4th Tuesday of the Month

Time: 6:00-8:00pm

This group provides compassion, support and sensitivity for families who have suffered a previous loss and are either contemplating another pregnancy or are already pregnant.

Directions to the Support Groups:

Both groups meet in the Cardiology Conference Room located on the second floor of the cardiology building. Parking is located in the main visitor parking lot, directly across from the main entrance of the hospital.

- To find us, simply follow the dotted line on the map at left to the elevator located directly across from the medical records office.
- Take the elevator to the second floor, and exit left. The Cardiology Conference Room is located down the hallway on the right.
